HIGHLIGHTS:

- Scania 900 HP Diesel Engine – Only 110 hours
- Vetus 8 – Bow & Stern Thrusters – Joystick control
- SeaKeeper 6 Gyro Stabilizer – 75 total run hours
- Onan 9 kW Generator – With sound shield
- Twin Crusair AC Units – Reverse-cycle heat
- FLIR Thermal Imaging
- Fully Equipped Helm – Autopilot, Fusion stereo system, underwater lights
- Well-Appointed Cabin – Head with sink, refrigerator, freezer, microwave

NOW AVAILABLE

MAIN SALON

- Electric Sliding composite door
- Electrical panel
- (1) 16,000 BTU and (1) 12,000 BTU AC Crusair digital control
- Tinted 1/4" tempered glass
- Ultra Leather sofas & dinette constructed by Costa Marine Canvas, Inc.
- Air conditioning with reverse cycle heat and individual temperature control
- Decorative throw pillows for sofa
- Fixed, side windows with tinted, tempered glass for style, and natural lighting
- Lighting, overhead LED lights
- Outlet in head, galley kitchen area & outlet with USB connection in dinette area
- Main electrical panel with AC selector breakers
- Whisper Wall headliner, owner's choice of color, 1/8" foam and tricot backing
- Teak laminate cabinetry with drawers
- TV lift installed for 40" TV
- Microwave/convection oven located in galley cabinet
- Sink, stainless steel, under-mounted in countertop with Chrome galley faucet
- KVF or Corian countertops and sink with single lever faucet
- Appliances:
- Refrigerator
- Microwave/Convection GE or compatible

HEAD

- Fresh Water Flush Raritan Atlantes Head
- A/C Supply
- Wallpapered walls
- Lighting, overhead LED lights recessed in ceiling
- Medicine cabinet with mirrored doors
- Receptacle, 120V GFCI
- Wet head shower with shower track
- Towel bar and ring in Chrome finish
- Exhaust fan

FORWARD BUNK

- (2)- V bunk beds
- Soft goods by Costa Marine Canvas, Inc. including covered cushion
- Carpeted floors
- Air conditioning/heat with temperature control
- Hanging locker, teak with bar for hanging clothes
- Whisper Wall headliner, owner's choice color, 1/8" foam and tricot backing
- Storage cabinet located under hanging locker

COCKPIT

- Teak covering boards
- Transom livewell
- Stainless steel insulated ice bin
- (6) -Rod holders in covering boards
- Dockside electric connection (2) 30-amp SS shore power inlet and (2) 50 Hubbell 30A yellow vinyl shore cable
- Dockside water connection in cockpit
- Fresh and salt water wash down with hose bib located under gunwale
- Waterproof deck hatch with access to steering system, trim tabs, generator and pumps
- Painted non-skid deck
- Self-bailing cockpit with scuppers
- Deck fill freshwater tank from dockside inlet

RUNNING GEAR

- Flush mount Nibral strut
- (1) Aquamet 22 DN Double Taper Shaft 2 1/2" shaft
- 4 blade Nibral propellers by Veems
- 1 1/2" Stainless steel rudder
- Dripless rudder ports and glands by Tides Marine
- Shaft tube with dripless shaft seals by Tides Marine

ELECTRICAL

- Wired to ABYC standards All Wires to be labeled at each end
- (2) 30-amp cords- AC shore power cords
- Paneltronics Panels
- Transom mounted zinc
- All necessary wiring to supply all specified 110 volts and 12-volt systems
- 120V AC power supply
- Anchor light/navigation lights
- Batteries, (3) independent 12V banks maintenance free
- Battery charger with thermal cutoff and switching system for complete integration
- Battery distribution panels with battery cutoff for ship service batteries and engine batteries
- Bonded electrical system with ground plate
- DC LED interior lighting throughout excluding companionway

MISCELLANEOUS

- Underwater lights
- Spotlight on hardtop
- ACR Alternator setup
- Oil transfer pump
- Teak toe rail
- Propspeed added Fall 2024
- Under gunnel lights – (4) Lumitec 12" bar lights
- Garmin display box
- Additional rod holders – (2) at transom

ENGINE ROOM & MECHANICAL

- Scania 900 HP 13 liter engine (1 ZF 400 IV electronic transmission at 1.76 ratio)
- (1) SeaKeeper 6 Gyro
- Battery switches Blue Sea Systems
- Onan 9 KW Generator with sound shield
- (4) – bilge pumps
- Internal sea strainers for generator, and all other sea water pickups
- Muffler – engines linear type located in engine compartment
- Muffler – generator
- PEX plumbing, fresh water system with manifold system to isolate individual areas
- Propellers, Class "S" pitch tolerance (ISO 484/2) and dynamic balancing. Advanced design cambered blade sections for optimum performance. Nibral alloy for maximum durability.
- Racor fuel/water separator filters for main engines and single for generator. Clear bowl type, top-loading for convenient replacing
- Rudder, Nibral composite rudder bearing with dripless seal laminated into hull
- Seacocks, bronze, ball-type sea valves for all thru- hulls below the water line
- Shaft – (1) Aquamet high-strength stainless steel, double-taper with machined keyway
- Struts – thru-water, Nibral bearings
- Tides Marine water lubricated dripless shaft seal

ELECTRONICS

- Dual Garmin Chartplotters with Sonar at Helm, Radar, side scan transducer-fishing setup
- Single 27" Garmin Chartplotter screen exterior hanging from Top- fishing setup
